

Pleasant Hill, California - March 15, 2007 - Seniors Reverse Mortgage, Inc.
A leader in the reverse mortgage industry.

Seniors Reverse Mortgage has some exciting announcements to make. In January of 2007 to allow for the company's growing staff, the main office has relocated to 3478 Buskirk Avenue, Suite 343, Pleasant Hill, CA 94523.

Seniors Reverse Mortgage is under new ownership. The company was taken over in November of 2006 by David Stevenson, Christine Louie, and Joe Manzone. With the growth and changes going on in the Reverse Mortgage Industry, the new owners are eager to provide a wide range of options for seniors interested in obtaining reverse mortgages, as well as, providing the highest level of commitment and service to our clients.

David Stevenson, President, is an estate planning and elder law attorney. "It's my belief that with a new lower interest rate, fixed interest rate and various proprietary reverse mortgage products that have just recently entered the Industry, Seniors Reverse Mortgage can better serve the seniors interested in reverse mortgages. As brokers we can shop the various lenders to find the loan that is right for the borrower."

In conjunction with the move to Pleasant Hill, Seniors Reverse Mortgage is pleased to announce the opening of the San Diego Branch. As quoted, Christine Louie Vice President of Operations "This will allow us to better serve our Southern California clients, without putting geographic limitations on the personalized service we strive to provide."

Lastly, Joe Manzone, Vice President of Marketing and Sales says "Our web page is designed to be real simple for Seniors to navigate through. We also post upcoming events such as workshops and seminars on the site."
